wednesday P. M.
My Dear—
your card read
this A. M. I wrote you
Sunday P. M. which I suppose
you had not gotten yesterday
when you wrote asking all
of you up on Thanksgiving.
Now as you are going to
move as you said you were
going to commence to
move today, suppose you
mean to take a load of some
thing, want you be at
your old place next Sunday
and can't you come over
for Thanksgiving dinner
then instead of Thursday?
Don't you know I told you
that if you should move
before Thanksgiving you
should let me know and
we would have you over
before that then, for God's sake,
I am afraid we will never
see you when you move.
Want to hear from Katie?
Answer as soon as you get
the chance. Love.
